LOST.

The Mysore Government Promissory Note No. D005893 of 4½ % loan of 1940 for Rs. 100 originally standing in the name of B Venkataramayya the Proprietor, by whom it was never endorsed to any other person, having been lost, notice is hereby given that payment of the above note and the interest thereon has been stopped by the Comptroller to the Government of Mysore and that application is about to be made for the issue of a duplicate in favour of the Proprietor. The public are cautioned against purchasing or otherwise dealing with the above mentioned security.

Dated 8th February 1927.

The following Press Communique issued by Government of India is published for general information.

PRESS COMMUNIQUE.

The Government of India have already put into circulation new design Rs. 5 and 10 Currency Notes and now propose to introduce a new pattern Rs. 100 Note which will be less liable to imitation and more convenient to handle than the existing note. Notes of the new pattern will shortly be issued from the Rangoon Currency Office and thereafter from other Currency Offices as the stock of the existing pattern is exhausted.

2. The general appearance of the new note is entirely different from that of the existing Rs. 100 Note and bears some resemblance to the new pattern notes already issued. Its size is $6\frac{3}{4}'' \times 4\frac{1}{2}''$, *i.e.*, $\frac{1}{2}''$ bigger all round than the new pattern Rs. 10.

3. The ground work of the note is a tracery of different colours, blending one into another, with a central vertical band of brown shading gradually on each side into bands of grey and mauve, the predominant colour being a delicate mauve. The overprint is in green of a deeper tinge than the green on the Rs. 10 Note.

4. The most prominent features of the design are two large oval frames, one on each side of the note The frame on the left contains no printing but shows a portrait of His Majesty the King-Emperor in water mark. The frame on the right encloses an engraving in green of the head of His Majesty the King-Emperor with Crown and Orders, the portrait being overprinted with dark lines. There is a monogram of the letters "G. R. I." directly over this frame. Besides the water mark of His Majesty's portrait, there are water marks of four wavy lines right round the border and of the word "India" at the bottom of the note towards the right.

5. The value of the note is shown in words at the centre of the note in three lines, the word, "hundred" appearing in a clear space between the other two lines. The value in numbers appears at the top right hand and the bottom left hand corners in open spaces inside a bordered frame.

6. The serial numbers are printed in black at the top right hand and bottom left hand quarters near the middle of the note, the former being to the left of the monogram. The circle of issue is shown in the centre of the upper half of the note.

7. The colours on the reverse of the note are the same as on the face. There are two oval spaces at the back of the note corresponding to the two frames on the face with filigree work within. The value of the note is shown in English directly under the two oval frames and in the centre in eight different vernaculars in words printed in deep green.

Circular No. 89—*M. A. D., dated 9th February* 1927.

Subject—Crossing of cheques or Remittance Transfer Receipts, the amounts whereof are to be credited to Government.

To

All Treasury Officers.

Some cases have come to the notice of the undersigned in which Cheques or Remittance Transfer Receipts, drawn on Treasuries and creditable there to some Government Account, have been paid in cash resulting at times in misappropriation of Government money. According to Article 32 (*c*) Mysore Civil Account Code, Volume I, Second Edition and Article 131 (g) Mysore Account Code, Volume II, First Edition, the Government Officers, in whose favour Cheques or Remittance Transfer Receipts have been issued, should while sending such documents to treasuries invariably add the words "Received payment by transfer credit to.....". Omission to do this facilitates fraudulent appropriation of money. Treasury Officers are therefore requested to be careful to see that Cheques and Remittance Transfer Receipts payable to a Government Officer are paid in cash only in cases where the amount is not to be credited at the Treasury. The head of credit in the Treasury Accounts, should be clearly noted on the Cheque or Remittance Transfer Receipt. In addition to care being taken to make the endorsement as indicated above, the officers receiving such Cheques or Remittance Transfer Receipts should invariably cross them to prevent the risk of fraudulent encashment.
